

Heidtman Tubular Products, LLC, with the backing of Heidtman Steel, has significant growth plans and opportunities combining years of tube and steel industry experience with state-of-the-art equipment & supported by the depth of Heidtman's operational, engineering, steel procurement and quality resources.

Heidtman Steel, with over 65-years of steel coil processing & customer service, is a leading ISO, ISO/TS & IATF certified coil-processing service center selling over 700,000 tons of coil and processing over 2.5-million tons of steel annually. A 65+ year legacy of cutting edge innovation and un-parallel commitment to their customers with an entrepreneurial can-do attitude that only a family-owned company can provide.

Our first tube mill is a state-of-the-art ERW mill for as-welded mechanical & structural tube.

2" to 4"-squares and equivalent rectangles  
1.9" to 3.5"-rounds

Wall thickness from .083 to .203  
Hot Rolled, HR-P&O, Galvanized

2" to 3" Schedule 10 Structural Pipe  
1.5" to 2.5" Schedule 40 Structural Pipe

In-line eddy current tested weld integrity

In-line UV coating system for galvanized remetalized-weld tube

Heidtman Tubular is located in Erie, Michigan, adjacent to Toledo, Ohio within Heidtman's Bedford campus, with quick access to north/south Interstate 75 and east/west 80/90.
